INVESTMENT MANAGER COMMENT

January ended on a good note with a +0.92% performance for the main class: Class A EUR. We continued investing into the new plantation in Brazil and started out a few internal projects driven by the new European framework, Mifid II. We are currently in a process to buy out smaller shareholders in Baltic Forest AB (publ) to increase both control and exposure to the Baltic arm of the portfolio. In January the Fund also acquired marketing license to professionals in Luxemburg.
